PULL TO OPEN

**PREBIOTIC FIBER &
PROBIOTIC BLEND**

Life is anything but regular. That's why there's Regular Girl[®]. A symbiotic blend of prebiotic fiber and probiotics that help support a healthy digestive balance, so you can feel your best from the inside out.*

BALANCE

It's a beautiful thing

PREBIOTIC FIBER

Nourish the good bacteria in your gut with clinically proven soluble fiber (Sunfiber[®]). It moves through your system at just the right pace so you can say by-bye to excess gas and bloating.*

PROBIOTICS

Billions of active probiotics (*Bifidobacterium lactis*) work in harmony with our prebiotic fiber to nourish the good bacteria in your gut, which helps promote regularity and intestinal health.*

Supplement Facts

Serving Size: 1 Packet (6 g)
Servings Per Container: 30
