

*Blessed* is brought to you by **EHP Labs**

Give your body and taste buds the quality they deserve.

Not all plant proteins are created equal, and you deserve only the best!

Our premium quality plant-based protein has been procured from one of the purest sources of raw activated pea protein isolate\*

Made from quality ingredients, because we care about what goes into your body as much as you do.

Made from recyclable packaging, because we care about our impact on this Earth.

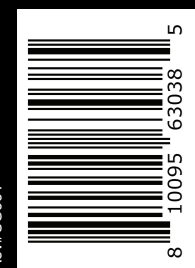

Enjoy the uniquely smooth, creamy, and delicious taste.

Not only is it what's in the protein, but it's also what isn't in our protein that makes Blessed the best!

Zero artificial sweeteners, gritty texture, or digestive enzymes. No nasties!

Blessed Protein is free from gluten, soy and dairy.

@BlessedProtein #FeelBlessed everyday, with Blessed Protein!

Join the BLESSED community #BlessedProtein

## ALLERGEN INFORMATION

GLUTEN FREE. This product is manufactured on the same equipment that processes peanuts, tree nuts, and other common allergens.  
**Warning** - Not suitable for children under 15 years of age. If pregnant, please use only under medical or dietician supervision. This food is not a sole source of nutrition and should be consumed in moderation with a nutritious diet and an appropriate training or exercise program.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

The State of California's legislation requires us to make the warning below because of the naturally occurring lead found in all pea protein and/or cocoa.  
If you are concerned about this, please visit [www.ehplabs.com/prop65](http://www.ehplabs.com/prop65) for further info.

**CA Prop 65 WARNING:**  
This product can expose you to chemicals including lead which is known to the State of California to cause cancer and birth defects or other reproductive harm.
