

CAFFEINE PLUS is a caffeine supplement to help support your energy and antioxidant processes. Caffeine is a thermogenic, which supports energy production and weight management.

SUGGESTED USE

1 capsule taken 1 to 2 times daily, preferably with meals or as directed by a healthcare professional. For best results, take 1 capsule in the morning and/or 1 capsule in the early afternoon. This product should be used in conjunction with a sensible diet and exercise program.

CAUTION

Do not exceed recommended dose. This product is not intended for pregnant or nursing mothers, children under the age of 18, or individuals taking prescription drugs. Discontinue use immediately if nausea, sleeplessness, or nervousness occur. Do not take this product if you have a known medical condition including high blood pressure, diabetes, any cardiovascular disorder, heart disease, hyperthyroidism, or are taking antidepressant medications. If you have questions about the advisability of taking this product, consult your physician prior to use. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish, and crustacean shellfish.

WARNING: This product contains 217 mg of caffeine per serving (equivalent to 2 cups of coffee).

Keep out of the reach of children. Do not use if safety seal is damaged or missing. Store in a cool, dry place.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
