## BACK IN BLACK

**500% MORE NITRIC OXIDE  
INGREDIENTS & 50%  
MORE NITRIC OXIDE  
THAN OUR ORIGINAL NO<sub>2</sub> BLACK**

Power through your training with super pump, energy and vascularity. NO<sub>2</sub> Black™ breaks down to produce NO and dilates to promote increased power and pumps during your workouts.

### PROMOTES HYPER PUMPS, EXTREME VASCULARITY AND MUSCLE GROWTH

NO<sub>2</sub> Black helps open up blood vessels, and increase muscle density. Amino acids you love. Nitric oxide flow to the body to support training muscle while you increase performance, power and pumps. Welcome to the Pump & Power™.

### PUMP & POWER

**Nitrosigil™** supports increased power and advanced pumps so you can power through workouts with sustained energy and stamina. Citrulline converts to nitric oxide (NO) to help increase your pump.

**Arginine** helps help prevent NO breakdown so you can enhance your training time to improve endurance. Added minerals help your muscles contract so you can build your body the way you want.

**57\*** supports increased NO production, and helps widen blood vessels by as much as 50% for extreme vascularity and more power.

### HYPER HYDRATION & STAMINA

**HydrMax™** helps your muscles to support longer workouts and reduce muscle soreness and fatigue.

**L-Ornithine** breaks down fatigue-promoting metabolites and promotes longer and better pumps.

### STIMULANT-FREE

Stimulants can power your body, but they're stimulants in a NO product can be counter-productive. NO<sub>2</sub> Black™ Intersperse™ is stimulant free so you can maximize pumps without unwanted side effects.

\*Relative to placebo (based on 57\*\* see clinically shown to increase NO levels in human trials).

### DIRECTIONS AND SUGGESTED USE:

1 scoop (10 scoops) twice a day.

On training days, adhere to the serving chart below.

On training days, take your first serving with 4-8 oz of water on an empty stomach 30-60 minutes before a workout. Consume your second serving at least 6 hours before or after your pre-workout serving. Adjust water amount to meet your needs.

As NO<sub>2</sub> Black™ Muscle Pump is highly concentrated, adhere to the below serving chart.

DAILY SERVING CHART	
UP TO 500 LB	OVER 500 LB
1 SERVING	2 SERVINGS
1 serving (1 scoop) at least 30 minutes before training or working out.	1 serving (1 scoop) at least 30 minutes before training or working out.

NOTE: To maximize results, drink at least 64 ounces of water daily when using NO<sub>2</sub> Black™ Products.
