

VITAMIN D3 plays a vital role in supporting optimal bone and heart health while also supporting the immune system.* While direct sunlight provides the best form of natural vitamin D, most people do not spend enough time outside on a daily basis to reap benefits of natural rays.

SUGGESTED USE 1 softgel every three days preferably with a meal or as directed by a healthcare professional.

CAUTION Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.
