Manufactured for Barebells Functional Foods LLC
Marina del Rey, CA 90292 USA
Produced in the Netherlands

Per 355 mL can: Caffeine 200 mg,
Less than 0.01% lactose.

CLEAR WHEY PROTEIN ISOLATE

Contains all nine essential amino acids. The human body is not able to make these nine amino acids, so it is essential that we consume them as part of our diet, but most individuals readily meet these needs through consumption of a balanced diet.

Not recommended for children, pregnant or breastfeeding women or individuals sensitive to caffeine.

We recommend a maximum consumption of 2 cans per day. Best served chilled. Once opened, consume same day.
