The Mightiest Moringa

Moringa, also known as the drumstick tree, is a leafy green superfood bursting with essential vitamins and nutrients. One of the most nutrient-dense plants on earth, our third-party tested moringa contains over 150 plant bioactive compounds. We source it from rural farms with clean growing practices, so you can get a green boost without any gunk. Add it to your favorite smoothie, drink, or meal for whole-body nourishment and go-get-em energy.

More powerful than turmeric.

Tastes like matcha, but caffeine-free.

More nutrient-dense than kale.**
