Give Your Gut Some Love

Gut Bliss is a powerful blend of five belly-soothing superfoods believed to support a happy, smooth-moving digestive system. Sourced cleanly with no artificial sweeteners or fillers, you get nothing but the good stuff for your gut.

Moringa A nourishing green used as a functional food for millennia.

Baobab A fibrous, wild-harvested fruit native to the African continent.

Lucuma A mildly sweet Andean fruit known as a source of insoluble fiber.

Ginger This go-to spicy root is the belly's best friend.

Lemon Balm A lemony herb often found in soothing recipes.

Golden Gut Smoothie

Blend together:

- 2 tsp Gut Bliss
- 1/2 cup frozen mango
- 1 cup frozen peaches
- Juice from 1/2 lemon
- 1 cup light coconut milk

KULIKULI

We are here to fill your life with the incredible power of plants. Our products are crafted from the world's most nourishing, climate-smart plants to deepen the health of our planet and our bodies with potent nutrition you can feel. By cultivating them in collaboration with small farming communities across the globe, our plants build brighter futures. Just imagine what they can do for you.

WARNING! Consuming this product can expose you to chemicals including lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov/food.
