

Vitamin D3

Vitamin D3 is a crucial nutrient for general health. Yet, a typical diet does not provide the recommended amount of this vitamin. In addition to supporting bone health, research shows that Vitamin D3 supports overall health.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.
