

Nervous System Support Formula*

Zahler Inositol supports healthy nerve & neurotransmitter functions. In addition, Inositol participates in the metabolism of fats in the liver as well as supports insulin function in glycogen storage and utilization, thereby making glucose readily available for cellular energy requirements.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.

KEEP OUT OF REACH OF CHILDREN.

Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner.
