

Advanced Vitamin C

Vitamin C is an essential antioxidant that helps support the immune system. Since Vitamin C is water soluble and the body cannot store it, a continuous supply is needed.*

You may need additional supplements to support a healthy diet; consult your nutritionist for a formula that is right for you or contact us at 877-ASK-ZAHLER (877-275-9245) or ask@zahlers.com.

Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner.
