

6AM Run Track Fuel is a clean runners protein, without cheap fillers such as maltodextrin or fructose. Our ingredients include Whey, Sweetener, Flavoring, Digestive Enzymes for absorption and a small amount of BCAAs for protein synthesis.

High quality ingredients mean you get more protein in every scoop and more servings in each container. Our whey contains an incredible 75% protein, while many other brands contain less than 70%, adding extra carbs and fats.

Digestive Enzymes Papain and Protease were added for optimal protein absorption. Whey Isolate and BCAAs aid in protein synthesis.
