* Percent Daily Values (DV) are based on a 2,000 calorie diet
** Daily Value not established

Other Ingredients: Natural and Artificial Flavors, Silicon Dioxide, Citric Acid, Sucralose, Acesulfame Potassium, Turmeric Extract (for color).

1200 Brickell Avenue, Suite 1950 #1012 Miami, FL 33131 +1 (833) 392-1623

SUGGESTED USE: As a dietary supplement, mix 1 scoop (beginner strength) with 6-8 oz. of water, or 2 scoops (Alpha strength) with 12-14 oz. of water, 30-45 minutes before training. This is a JACKED scoop size, so be sure to use more water than usual for optimal mixability!

WARNING: Not for use by individuals under 18 years of age. Do not use if you are pregnant or nursing. Do not exceed the recommended serving. Each scoop contains 100mg of caffeine. Exceeding the recommended serving may result in serious adverse health effects. Discontinue use two weeks prior to surgery. Consult your physician before using this product if you are taking any medications or have a medical condition. Stop use and contact a physician or licensed healthcare professional immediately if you experience any adverse symptoms. KEEP OUT OF REACH OF CHILDREN.

ALLERGEN STATEMENT: This product is manufactured in a facility that also processes products containing milk, eggs, fish, shellfish, tree nuts, peanuts, soy, wheat, and sesame.

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
