SUGGESTED USE: As a dietary supplement, consume 1 serving (1 scoop) with 8-10 oz of water, 20-30 minutes before your workout. Users may assess tolerance beginning with ½ serving (½ scoop) mixed in 4-6 oz of water if desired.

WARNING: This product is intended for healthy adults, 18 years of age or older. Consult a physician prior to using this, or any other dietary supplement. Do not use if you are pregnant or nursing, if you have or suspect you may have a medical condition, or if you are taking any prescription or over-the-counter medications. Do not exceed recommended serving. This product contains caffeine and may not be suitable for individuals who are sensitive to caffeine. Do not use with other stimulant-containing products. Discontinue use and consult a qualified healthcare professional if you experience any adverse effects.

KEEP OUT OF REACH OF CHILDREN
