BEE&YOU®

PROPOLIS: Propolis is a resin-like bee product from the hive with high antioxidant capacity due to its rich content of natural flavonoids and phenolic compounds.

ROYAL JELLY: Royal jelly is a valuable bee product that is secreted by worker bees to feed baby bees and the queen bee in the hive. Being fed only with royal jelly, queen bee grows 2 times bigger and lives 30 times longer than other bees.

KOREAN RED GINSENG: Our Red Korean Ginseng is harvested after 6 or more years. It naturally contains the active substance called ginsenoside.
