

Focus Energy Power Endurance

Gym Molly Pro is the next evolution in Pre-workout and our new formula will give you more Focus, Energy, Power and Endurance, than ever before!
6000MG of Citrulline Malate 2:1 (4000 MG of L-Citrulline bonded with 2000 MG of Malic Acid) Citrulline Malate has all of the benefits of L-Citrulline (increased NO Production, Pumps, Blood Flow, Vascularity) plus the dramatic energy producing abilities of Malic acid.

4000MG of CarnoSyn® (The Scientifically proven, Globally Patented Beta-Alanine) This patented Amino Acid has been proven to significantly increase exercise performance, build muscle faster, extend endurance, reduce fatigue and accelerate recovery time.

2000MG of BCAA InstAminos® (Leucine, Isoleucine, and Valine) InstAminos® have been proven to improve exercise performance by reducing the body's susceptibility to fatigue, muscle damage, and loss of energy.

1500MG of Creatine Hydrochloride (Creatine HCL) Creatine Hydrochloride is more advanced than creatine monohydrate and has none of its side effects. Creatine HCL provides 67% better absorption and more significant gains in muscle mass and strength.

Directions For Gym Molly: Mix 1 scoop of Gym Molly with 12 - 20 oz. of water and drink 15 - 30 minutes before training. When first using Gym Molly begin with 1/2 scoop or less to assess your tolerance. Do not exceed 2 Scoops within any 24 hour period.

NOTE: This product contains premium Beta-Alanine, a highly beneficial and natural Amino Acid, that significantly improves athletic performance. Some people may experience a harmless temporary tingling sensation when taking Beta Alanine. Gym Molly® only uses premium patented CarnoSyn® Beta-Alanine.

Warning: THIS PRODUCT IS ONLY INTENDED FOR USE BY HEALTHY INDIVIDUALS, 18 YEARS OF AGE OR OLDER. Consult your physician prior to using this product if you are pregnant, nursing, taking medication, under 18 years of age or have a medical condition. Do not exceed recommended serving size or suggested use. To avoid sleeplessness, do not consume within 4 hours of bedtime.
