

FLAVOR MEETS FUEL

Protein plays a key role in your daily diet, supporting muscle and bone maintenance. Inspired by the iconic **Krispy Kreme®** **Chocolate Iced** doughnut, our protein blend gives you the flavor you love with the fuel you need.

Protein Blend combines whey protein concentrate and grass-fed milk protein isolate to provide a mix of fast and slow digesting dairy proteins, including whey and casein. This balanced blend helps deliver protein in a more complete way, supporting your daily protein intake whether enjoyed after training or as part of your everyday routine.
