

SUGGESTED USE: As a dietary supplement, mix 1-2 scoops of Gorilla Mode Nitric® powder in water and consume 30 minutes prior to training. Use 8-14 ounces of water for 1 scoop, or 16-24 ounces for 2 scoops. Vary the amount of water to achieve your desired flavor level. First time users should begin use with 1/2-1 scoop or less to evaluate tolerance. Do not exceed 2 scoops in any 24 hour period.

WARNING: KEEP OUT OF REACH OF CHILDREN.

This product should not be taken by individuals who are pregnant, nursing, have or suspect a medical condition, are taking any medications, or are under 18 years of age. Consult a physician before taking this or any other dietary supplement. Do not use this product with PDE5 inhibitors, nitrites, or other blood pressure lowering medications and/or supplements. Store in a cool, dry place.

CALIFORNIA WARNING: Consuming this product can expose you to chemicals including lead and mercury which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.
