

Suggested usage: Add 6.47 g (approx. 1 scoop) to 12–14 fl oz of water, mix well, and drink immediately, 30–60 minutes before your meal. Take 1 scoop per day to start and increase to 1 scoop twice per day.

NOTICE: ColonBroom should be consumed with at least one full glass of water. Taking psyllium husk without enough liquid may cause choking. Do not use this product if you have difficulty swallowing.

Caution: Consult your physician prior to use if you are pregnant/nursing, have a digestive disorder, or are otherwise under medical supervision or using prescription drugs. Not recommended for children.

Allergy risk: Some individuals may be allergic to inhaled or ingested psyllium husk.

Storage: Do not use if the safety seal is damaged or missing. Store in a cool, dry place, away from heat/moisture. Keep out of reach of children.
