

**Suggested Use:** Take 1 capsule, 3 times daily. Each serving should ideally be taken 30 to 60 minutes before a meal.

TRIQUETRA™

## OPTIMAL METABOLIC HEALTH, NATURALLY

Losing weight and, more importantly, keeping the weight off can be complicated. GLP-Activate can provide your body with the natural extracts and nutrients that can support your body's own GLP-1 production. The GLP-1 hormone has been identified as one of the master keys to healthy and sustained weight and weight loss.\*
