— *Our Story* —

We are a **WILD** bunch. A **SOCIETY** of curious adventurers with a passionate spirit. We don't color inside the lines or think inside the box, we do things different. We are **WILD SOCIETY**. We transform superfood ingredients into irresistible shakes and snacks that fuel the wild within us all. At our core is 100% Grass-fed Whey Protein Powder extracted from the milk of pasture-raised cows, resulting in a product with unrivaled quality. Rich in essential amino acids and free from artificial additives, preservatives and hormones, it's the very embodiment of the wild, untamed spirit that drives us.

But what truly sets us apart is our secret ingredient. We've tapped into the wisdom of the forest floor with sustainably harvested and meticulously sourced organic mushrooms & herbs, adding a powerful companion to our protein blend. Bringing centuries of natural wisdom with immune system support, enhanced endurance and a touch of earthy mystique, our mushroom blend with adaptogens are a natural path to strength and vitality. So drink up and welcome to our **SOCIETY** of **WILD** ones. **Eat Healthy. Live Wild.**
