

Yummy **GUMMIES**
without all the junk.

Because your gut
deserves the zest

Getting enough fiber doesn't
have to be a chore. Just two
delicious gummies a day
provide prebiotic fiber to help
support digestion and keep
things moving.†

No B.S. tips to start your fiber journey.✨

Start slowly! If you're not used to taking fiber or have a lower
fiber diet, your body can take some time to adjust. Start by
taking 1 gummy a day and then build up to 2 per day.

Make sure you drink plenty of water to
keep things running smoothly.
