

PROVEN PROTEIN

2 full scoops of Wheybolic® Ripped deliver a clinically proven protein module shown to accelerate muscle growth, boost endurance, and increase strength.^{***}

BURN 3X MORE CALORIES

Accelerate your metabolism before, during, and after workouts with a clinically backed thermogenic blend of energizing natural caffeine, niacin, piperine, and capsiicum.^{†**}

SCULPT LEAN MUSCLE & FUEL FAT METABOLISM

Improve body composition by maintaining lean muscle and fueling fat metabolism with 3g of conjugated linoleic acid (CLA).*

Every scoop of Wheybolic® Ripped delivers 25g of protein enhanced with more muscle-building leucine than standard whey protein powders.*

Capsimax® is a trademark of OmniActive Health Technologies.

* Informed Choice products are subject to a rigorous Anti-Doping program that includes protocols for testing & monitoring for over 285 compounds.

** In multiple randomized clinical trials, participants taking GNC's leucine-rich protein blend over 8 weeks with a progressive resistance training program had significant increases in muscle strength, endurance, and performance compared to placebo.

*** When used in conjunction with an exercise program.

† In a double-blind, randomized placebo-controlled crossover study, 25 subjects exercised on a treadmill on two occasions. On one occasion the subjects took the thermogenic blend before exercise and on the second occasion, they took the placebo. When the subjects took this blend, they burned three times more calories before, 3% more calories during, and 12 times more calories after exercise compared to when they took the placebo.
