

PROTEIN PURITY - TASTE THE DIFFERENCE.

ISOPURE® CLEAR LOW CARB PROTEIN is not your typical milkshake-like protein powder. It is a refreshing and lightly fruit flavored experience that delivers the protein you want without all the additional ingredients you don't. Give ISOPURE® CLEAR LOW CARB PROTEIN a vigorous shake and watch 20 grams of 100% whey protein isolate mix into a refreshing drink right before your eyes. And what you see is what you get: 5 ingredients, 0 grams fat, no added sugars**, and 90 calories per scoop. Made with natural flavors from pineapple, watermelon, and mango and sweetened with steviol glycosides. Simple, mighty, and delicious.
