** Percent Daily Values (DV) based on a 2,000 calorie diet.
† Daily Value (DV) not established.

Ingredients: Gelatin (Bovine), Vegetable Glycerin, Purified Water, Natural Caramel Color, Natural Mixed Tocopherols.
Stimulant Free \ Gluten Free
CONTAINS: Fish (Anchovy, Sardine, Mackerel) Ingredients.

SUGGESTED USE: As a dietary supplement, take 1 **ARSENAL X® INFERNO** liquid-gel and 2 **OMEGA CUTS® ELITE** softgels in the morning, preferably with food and with 6–8 fl. oz. of water. In the afternoon, take 1 Arsenal X INFERNO liquid-gel and 2 Omega Cuts ELITE softgels, preferably with food and with 6–8 fl. oz. of water. On workout days, take 1 liquid-gel 30 min before your workout, and a second liquid-gel at your discretion so long as the doses are 4-6 hours apart. Do not exceed 2 liquid-gels per day. To avoid sleeplessness, avoid taking within 4 hours of bedtime. Each Arsenal X INFERNO liquid-gel contains approximately 160 mg of Caffeine. To be used in conjunction with a physical conditioning program.

WARNING: KEEP OUT OF REACH OF CHILDREN. Not intended for use by those with a medical condition. Use only as directed. Do not exceed recommended dose; do not exceed recommended daily intake. Not intended for use by persons under age 18. Do not use if pregnant or nursing. Contains caffeine. Do not consume caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing caffeine. Consult with your physician prior to use if you are taking medication, including but not limited to MAO inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, ulcers, enlarged prostate or glaucoma. Discontinue use 2 weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or upset stomach. Individuals who exceed the recommended serving or consume additional caffeine with this product may experience adverse side effects. Do not use if tamper resistant seals are broken. **STORE IN A COOL, DRY PLACE AND AVOID EXCESSIVE HEAT.**

Arphedramine Fat Loss | Energy Complex™
an energizing, performance-driven blend of advanced agents*

CAPSI-X® Cayenne Pepper
supports strong energy and advanced thermogenic results*

ADVANTRA Z® (*Citrus aurantium*)
supports increased thermogenesis during exercise*

C3G (Cyanidin-3-O-Glucosides)
supports nutrient partitioning and muscle hardening*

ARPHEDRAMINE
Fat Loss/Energy Complex™

STRONG FAT LOSS*
Arsenal X® INFERNO features a sports performance-driven blend of advanced agents in its Arphedramine Fat Loss|Energy Complex™.

EXTREME ENERGY LEVELS*
This innovative blend combines CAPSI-X® cayenne pepper (*Capsicum frutescens*) with a complete set of energy compounds to fully support a strong thermogenic effect and powerful results. Capsaicin is a compound well-researched in clinical studies demonstrating increased energy expenditure and support for satiety.*

CAPSI-X® (*Capsicum frutescens*)

PREMIUM FORMULA FOR STRONGER RESULTS*
Arsenal X INFERNO features a dual-acting blend of caffeine combined with the strength of yohimbe, providing for strong multi-dimensional energy, intense mental focus and advanced thermogenesis.*

POWERFUL THERMOGENIC AGENT*
Clinically tested, safe, and stimulant free thermogenic agent. Advantra Z® is a standardized *Citrus aurantium* extract that supports powerful thermogenic benefits during exercise. Backed by multiple human efficacy clinical studies, bitter orange extract and its alkaloid derivative p-synephrine have been shown to increase metabolism and energy expenditure.*

ADVANTRA Z®

BENEFIT OF ASHWAGANDHA
Also formulated in its energy, focus and recharge complex is KSM-66®, the most clinically studied Ashwagandha on the market. This adaptogenic herb helps the body find balance.*

KSM-66 Ashwagandha®

RAPID UPTAKE AND ABSORPTION
Arsenal X INFERNO's extreme ingredient combinations are delivered through a cutting edge rapid release liquid-gel capsule. This designer delivery system is coupled with BioPerine®, a compound clinically shown to increase nutrient bioavailability.*

Muscle Sparing and Muscle Toning Blends
two dynamic blends offering elite support for lean muscle definition*

An Anti-Catabolic Formula
designed to support energy and fat loss without sacrificing muscle*

Core 95 Complex
features CLA 95%, the purest, most concentrated form of CLA*

muscle SPARING™
muscle TONING™

LEAN MUSCLE DEFINITION*
For an extreme body cutting and lean muscle defining solution, nothing comes close to Omega Cuts® ELITE. Omega Cuts ELITE's MCT-based Muscle Sparing Blend works in conjunction with its CLA-based Muscle Toning Blend to more readily target fat for greater muscle definition. Omega Cuts ELITE is an anti-catabolic formulation designed to support energy and fat loss without sacrificing your hard-earned muscle in the process. These blends work in complementary unison to specifically target and shred the fat between the muscle, to help bring out your show muscles!*

MUSCLE SPARING BLEND
MCTs (Medium Chain Triglycerides) enter the bloodstream quickly, immediately acting as an available source of energy, with only a small percent being converted into body fat. They help stimulate thermogenesis, a process where the body generates energy, or heat, by increasing its normal metabolic, fat-burning rate.* Omega Cuts ELITE's MCTs ultimately help to provide that desirable ripped and lean muscular appearance.*

MUSCLE TONING BLEND
Omega Cuts ELITE also features a Muscle Toning Blend with CLA 95%, the purest, most concentrated form of CLA.* CLA is a fatty acid with a strong and supported reputation for aiding fat loss, and helps to shrink stubborn fat areas, commonly located around the stomach, hips, waist, butt and thighs. This unique blend combines CLA with EFAs (essential fatty acids), and together they help reduce the amount of fat that is broken down, deposited and stored in the body.* This blend is what helps support a defined, ripped six pack.*

Core 95 Complex

VERSATILE FORMULA
Omega Cuts ELITE is an extremely versatile sports nutrition product that can be implemented into any supplementation program.* This non-stimulant formula can be used by anyone to support the achievement of training goals. Omega Cuts ELITE can also be used long-term once goals have been met as part of a training maintenance regimen.*
