LEANFORM24[®]

DIETARY SUPPLEMENT

COMPLETE 24-HOUR WEIGHT LOSS SYSTEM[™]

MAXIMUM STRENGTH

New NDS Nutrition Maximum Strength LeanFORM24 (Kit)

Slim Free Low Stim Medium Stim High Stim

Use this stim meter for Max Strength LEANFORM24[®] to assess if this product suits your tolerance levels for stimulant-based ingredients.

DROP THE POUNDS[®]

LipoRUSH[®] XT is a high octane 'xtreme' thermogenic that leads the charge toward delivering strong weight loss results with each Maximum Strength LeanFORM24 kit. It does this by revving up the body's thermogenic process to the max, which increases your ability to burn fat more efficiently throughout the day.*

LOSE THE INCHES[®]

Censor[®] helps target and tone those hard-to-lose stubborn fat areas around the stomach, waist, hips, buttocks, and thighs. Censor is supportive for overall health and wellness, and is a key reason why LeanFORM24 supports stronger weight loss results versus use from a single diet product.*

CONTROL THE CRAVINGS[®]

SlimTox[®] reinforces daytime dieting efforts with evening appetite control to support caloric reduction. It also includes cleanse agents to promote digestive health. SlimTox is a crucial component featured in every LeanFORM24.

DESCRIPTION:
This Maximum Strength LeanFORM24 system combines three essential products together that work in full sync 24 hours a day to support stronger, more effective weight loss results and a transformed body.*

SUGGESTED USE:
Take 1 LipoRUSH XT capsule daily, preferably with a meal and 6–8 fl. oz. of juice or water. To avoid sleeplessness, avoid taking LipoRUSH XT within 6 hours of bedtime.
