

CHARGE UP WITH MORE PUMP, STRENGTH, ENERGY AND FOCUS*

SUGGESTED USE: As a dietary supplement, mix 1–2 scoops of PMD's ACG3® FULLY CHARGED with 6–12 fl. oz. of cold water 30–45 minutes before workout. The optimal dose will depend on stimulant tolerance; we recommend beginning with 1 scoop to assess. Each scoop of ACG3 Fully Charged contains approximately 160 mg of caffeine. Do not exceed recommended dose. Do not exceed 2 scoops in any 24 hour period. Exceeding the recommended amounts or not following directions may lead to unwanted effects. Consume a minimum 125 fl. oz. of water per day while taking this product. To be used as part of a physical conditioning program. Contents may settle after shipping. Moisture and humidity can cause clumping and discoloration. Discard after expiration date. **STORE IN A COOL, DRY PLACE. AVOID EXCESSIVE HEAT.**

WARNING: KEEP OUT OF REACH OF CHILDREN. For use by healthy individuals only. Not for use by those under the age of 18. Do not exceed recommended dose. Do not use if you are pregnant or nursing. Before consuming seek advice from a health care professional if you are unaware of your current health condition. Contains caffeine. Do not consume caffeine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing caffeine. Consult with your physician prior to use if you are taking medication, including but not limited to MAO inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phenylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high or low blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Do not use if you are prone to dehydration or exposed to excessive heat. This product contains beta-alanine which may cause a tingling skin sensation in some individuals. Discontinue use 2 weeks prior to surgery or if you experience rapid heart beat, dizziness, severe headache or shortness of breath. Do not use if tamper resistant seal is broken.
