Poor diet, pollutants and antibiotics can all wreak havoc in our gut. Probiotics provide ‘friendly’ bacteria that regulate your inner ecosystem to keep you feeling your best.†

Probiotics are naturally found in the body and in the environment. Spore probiotics are among the most effective strains that nature has to offer.†

WEIGHT MANAGEMENT PROBIOTIC:
• Probiotic + Natural Weight Management Nutrients†
• Supports a Healthy Metabolism†
• May Help to Control Appetite†
• Supports the Body’s Ability to Burn Fat†
• Digestive Health & Nutrient Absorption†
• Healthy Immune System Support†

Plus...
• Effective with Antibiotics† (unlike other leading Probiotic brands!)
• NO Refrigeration Needed‡

‡Aren't High Quality Probiotics Refrigerated? If a probiotic needs to be refrigerated, how will it survive a much warmer and more intense environment like your gastric system? Likely – it won’t.

Other Ingredients: Cellulose plant fiber, hydroxypropyl methylcellulose, tricalcium phosphate, vegetable magnesium stearate, silicon dioxide.

Allergens:
Milk, Soy. Contains lactose.

Contains NO:
GMO, wheat, gluten, artificial colors or flavors.

Warning: If you are pregnant or lactating, consult a healthcare professional before using this product. Each serving contains approximately the caffeine content of about one-third cup of coffee. Too much caffeine may cause nervousness, irritability, sleeplessness, and, occasionally, rapid heartbeat. Not for use by individuals under the age of 18 years. Store in a cool, dry place. Do not use this product if the safety seal on the bottle is broken. Keep out of reach of children.

Made in the USA with domestic and selectively imported ingredients.

Manufactured for: Probiogen™
7702 East Doubletree Ranch Rd., Suite 300, #313
Scottsdale, AZ 85258 • 1-800-983-2930

SUGGESTED USE: Take four (4) capsules twice daily for the first 3-10 days. Thereafter, take two (2) capsules twice daily or as directed by your physician. For best results, take 30 minutes before a meal.
