SR™ Hydrolyzed Collagen Peptides provide clinically researched, low molecular weight peptides which help support the integrity, elasticity, regeneration and strength of bodily connective tissues—including skin, bones, cartilage, ligaments and tendons.*

Bone & Joint Health: Supports bone health and may help restore healthy joint matrix.*

Beauty: Supports skin elasticity and may fight against visible signs of skin aging. *

Gut Friendly: Hydrolyzed for easy digestion and better absorption. *

SUPPORT STARTS HERE

INGREDIENT: Hydrolyzed Bovine Collagen Peptides.

SUGGESTED USE: As a Dietary Supplement, healthy adults combine one scoop into your favorite beverage or meal once daily and mix thoroughly.

HELPFUL TIP: Collagen Peptides will clump in cold water.
To enjoy Collagen Peptides in cold liquid, simply mix into room temperature liquid first and then add ice.

NOTICE: Collagen is not a complete protein. Do not use to replace dietary protein or for weight reduction. Our Collagen Peptides do not contain any of the 8 major allergens identified by FALCPA.
