

5/8

*Use in conjunction with the diet and exercise plan available at www.slimvance.com/plan.

†A randomized clinical study of 140 healthy overweight people compared the use of Slimvance™ in conjunction with an 1,800-calorie diet and walking plan to a placebo with the same diet and walking plan. Those on Slimvance™ lost almost 10 more pounds (vs. 6.91 pounds versus 121 pounds), lost over an inch more around the hips (-1.76 inches vs. -0.48 inches) and lost over an inch more around the waist (-2.12 inches versus -0.68 inches) than the placebo group after 16 weeks.

††In a double-blind, randomized, placebo-controlled crossover study, 25 subjects exercised on a treadmill for two occasions. On one occasion, the subjects took the thermogenic blend 60 minutes before exercise, and on the second occasion, they took a placebo. When the subjects took the thermogenic blend, they burned three times more calories before, 3% more calories during and 12 times more calories for up to one hour after exercise compared to when they took the placebo.

DIETARY SUPPLEMENT

60 CAPSULES 30 SERVINGS

CODE 487424

INC-7589

DIRECTIONS: As a dietary supplement, take two capsules twice daily. For best results, take one serving in the morning and then another serving 30-60 minutes prior to exercise approximately 4-6 hours later. Do not exceed recommended dose per day. Do not combine with other products containing stimulants, such as caffeine. Do not take before bedtime.
