## The Sunfood<sup>™</sup> Difference

Organic turmeric powder is an incredible superfood native to Asia. It has been used for thousands of years as a flavor enhancing spice and a health boosting herb in traditional Indian and Chinese cultures.

Turmeric powder has a powerful compound called curcumin making it a wonderful addition to any diet.

This golden spice has a strong enticing flavor with aromatic scents of ginger and orange. Enjoy a dash of turmeric in your post-workout smoothie or to spice up your favorite recipe.

Sunfood™ Organic Turmeric Powder has no additives, and is minimally processed to retain its potency.

1tsp Turmeric Powder 1tsp Yacon Syrup 1/2 tsp ginger (ground) 1/8 tsp Vanilla Powder 12oz coconut milk Pinch of salt

1/2 tsp cinnamon (ground)

Place all ingredients in a blender. Blend until smooth and frothy. Warm up mixture in a small pot. Serve in mug, garnish with more cinnamon. Enjoy!
