

**SUGGESTED USE:** Advanced users may mix 2 scoops (1 serving) with up to 500ml (16oz) of water or beverage of choice. New users and those sensitive to sleep aids should start with 1 scoop (1/2 serving), to assess their personal tolerance. Consume 30-60 minutes prior to desired bed time. Tastes best cold. Do not exceed 2 servings (4 scoops) per day.

## SUPPLEMENT FACTS
