Distributed by: GNC Holdings, LLC, Pittsburgh, PA 15222 USA

Contains a bioengineered food ingredient.

WARNING: Consult your physician prior to using this product if you are pregnant, nursing, taking medication or have a medical condition. Discontinue use two weeks prior to surgery.

^ In a randomized, double-blinded trial, 90 healthy adults took 125 mg of TamaFlex™ or placebo twice daily for 90 days. Those taking TamaFlex™ had improved (i) joint comfort, stiffness and function (WOMAC), (ii) walking speed and distance and (iii) use of stairs. Improvements were seen as early as 2 weeks for comfort and stiffness.

♦ In a randomized, double-blind study, 67 adults took 50 mg of AprèsFlex® or a placebo twice daily. Those taking AprèsFlex® had improvements in joint stiffness, comfort and function (WOMAC) that were 5, 7 and 43 times greater vs. the placebo group after 30 days. Improvements were seen as early as 5 days.
