

OUR WINNING DIFFERENCE

The breakthrough science of **Cellular Transport Technology (CTT)[®]** is an optimal ratio of nutrients that delivers hydration rapidly into your bloodstream, hydrating you 2-2.5x faster and more efficiently than water alone.

Sodium + Potassium + Glucose + Water = CTT[®]

This leading science depends on NON-GMO sugar + mined salt strictly for function, not taste.

Think of CTT[®] as an expedited water delivery system in your body.

The Result: Feel Better. Faster.

The Osmolality Lab has certified this product for optimized levels of osmolality and makes no further claims, representations or warranties, whether expressed or implied, on the product or business.
