† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USE: As a dietary supplement, consume 1 serving (1 scoop) of Superhuman Pre with 8-10oz of cold water, 20-30 minutes prior to your workout. Users may assess tolerance by beginning with ½ serving (½ scoop) mixed in 4-6 ounces of water if desired. Do not take within 4 hours of bedtime or combine with other products that contain caffeine.†

WARNING: This product is intended for healthy adults, 18 years of age or older. Consult a physician prior to using this, or any other dietary supplement. Do not take this product if you are pregnant or nursing, if you have or suspect you may have a medical condition, or if you are taking any prescription or over-the-counter medications. Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. This product contains 300mg of caffeine per 1 scoop serving, the equivalent of approximately 3 cups of coffee and may not be suitable for individuals who are sensitive to the effects of caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasional rapid heartbeat. Discontinue use 2 weeks prior to surgery. Immediately discontinue use and consult a qualified medical professional if you experience any adverse effects. KEEP OUT OF REACH OF CHILDREN.
