

ENZYMEDICA®

Berberine Phytosome

for **HEALTHY BLOOD SUGAR METABOLISM***

Vegan Dietary Supplement

60 CAPSULES

Ultra Absorption Phytosome Technology

The human body has difficulty absorbing berberine to unlock its true benefits. Berbevis® phytosome solves this problem, **boosting bioavailability 9.6x compared to standard raw extracts.**

This unlocks greater potency at a lower dose, allowing for a small, easy-to-swallow capsule.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Recommended use: 1 capsule before meals with a glass of water, twice a day. Consult with physician prior to use if you are pregnant or nursing, taking medications or have a medical condition.
Caution: This product is not intended for individuals with impaired glucose metabolism such as prediabetes or diabetes.
