

WE SUPPLEMENT THE FIT TO BECOME THE FITTEST

COENZYME Q10 is a vitamin-like compound that plays a central role in cellular energy production. *CoQ10 is found throughout the body, but is especially concentrated in the heart, liver, and kidney. The body's production of CoQ10 has been found to decline with age. Swolverine's Vegan CoQ10 liquid capsules aim to support heart health, immune system function, and circulatory system function that all play an important role in the delivery of oxygen and nutrients to the body.*

SUGGESTED USE 1 capsule taken 1 to 2 times daily preferably with meals or as directed by a healthcare professional.
