MEN'S HEALTH AND ENHANCEMENT FORMULA FIT FOR AN ALPHA

Alpha Strike® offers 2 premium targeted blends designed to support healthy testosterone and vascularity. The **T-MAX Blend** features an elite combination of ingredients - *Smilax officinalis*, Maca Root, Long Jack and Tribulus. These offer support for strength, smooth energy, joint health, and provide antioxidants to combat physical stressors.* The **Vaso-MAX Blend** complements this formula with key ingredients aimed specifically to help enhance blood flow.*

INCLUDES 50 MG DHEA

As we age our DHEA levels naturally decline, and this decline is most dramatic after the age of 30. Supplementation is important, because DHEA can help maintain energy levels and your body's overall wellness.*

WARNING: KEEP OUT OF REACH OF CHILDREN. Consult with your physician before using this product if you are under the age of 18, have a medical condition, or are taking prescription medications. **Not intended for persons under the age of 40.** Do not use this product if you are pregnant or lactating. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of, medical conditions including, but not limited to, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), high or low blood pressure, or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other symptoms. Discontinue use two weeks prior to surgery. Do not use if tamper resistant seal is broken. **STORE IN A COOL DRY PLACE. AVOID EXCESSIVE HEAT.**

Due to the unique restrictions of amateur and professional sports organizations (e.g., WADA, NCAA, NFL, MLB, NBA, UIL, etc.), it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement product. This product contains DHEA (Dehydroepiandrosterone), which is banned by some sports organizations. **TO REPORT AN ADVERSE EVENT, CALL: 1-800-332-1088.**

CALIFORNIA RESIDENTS **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov/Food

SUGGESTED USE: For Men's Health and Muscular Performance: Take 1 capsule in the morning and 1 capsule in the afternoon 30 minutes prior to workout. For Sexual Performance: Take 1-2 capsules 30-45 minutes before intimacy. Do not exceed more than 1 serving (2 capsules) per day.
