Due to the unique restrictions of amateur and professional sports organizations (e.g., WADA, NCAA, NFL, MLB, NBA, UJL, etc.), it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement product.

**SUGGESTED USES:**

**METHYL ANDRO™:** Take 3 METHYL ANDRO™ capsules daily. **On workout days** take 3 METHYL ANDRO™ capsules 30 minutes before your workout. **On non-workout days** take 1 METHYL ANDRO™ capsule 30 minutes before each meal. **METHYL ANDRO™ is best used in cycles of 12 weeks on, 4 weeks off. To be used as part of a physical conditioning program.**

**Z-TEST®:** Take 3 capsules before bedtime on an empty stomach. Do not consume milk or dairy products 30 minutes before or after taking Z-TEST® (blocks bioavailability). **As a PCT (Post-Cycle Therapy):** Use alone for 4 weeks. **To be used as part of a physical conditioning program.**

**BUILD-AND-CUT:**

**8-Week Program:** Use FLEX Stack® HARDCORE for 4 weeks, followed by the original FLEX Stack® (N-TEST 600® and Z-TEST®) for 4 weeks.

**Advantage:** Mass up and cut down to your ultimate hardcore physique.\* METHYL ANDRO™ releases the LaxoTest™ Complex facilitating healthy testosterone levels to support muscle growth.\* N-TEST 600® then allows for a natural release of free testosterone to support lean muscle definition.\*

**CUT-AND-BUILD:**

**8-Week Program:** Use the original FLEX Stack® (N-TEST® and Z-TEST®) for 4 weeks, followed by FLEX Stack® HARDCORE for 4 weeks.

**Advantage:** Shred down first and use N-TEST 600® to allow for a natural release of free testosterone that can be used to support lean muscle definition.\* Then pack on high quality lean muscle mass with METHYL ANDRO™. This approach allows for a leaner, more refined muscular physique.\*

**HARDCORE MASS:**

**8-Week Program:** Use FLEX Stack® HARDCORE for 8 weeks.

**Advantage:** Using FLEX Stack® HARDCORE for 8 consecutive weeks facilitates serious mass building results.\* This aggressive fast-acting, hard-hitting testosterone stack option offers the edge to take your results to an unparalleled elite level.

Follow up your FLEX Stack® HARDCORE with Z-TEST® post-cycle to replenish and restore your system, and to achieve optimal results!

**Do not exceed recommended dose on any testosterone program!**

**CONSUMER NOTICE:** FitLife Brands can only confirm product purity when our brands are purchased from authorized retailers, on gnc.com, or on pmdsports.com. For an approved list of retailers, go to pmdsports.com.

**24-HOUR HARDCORE ANABOLIC ACTIVATOR**

DIETARY SUPPLEMENT

**4-IN-1 TEST SUPPORT****ANDRO TEST BLEND**

METHYL ANDRO's FenuPRO® is a specialized blend yielding a minimum of 50% Saponins, Furastanol Saponins and Protodioscin.

**LAXOTEST™ COMPLEX**

A blend of clinically studied ingredients shown to elicit potential increases in:  
 - Healthy Testosterone Levels\*  
 - Strength and Vigor\*  
 - Antioxidant Support and Protection from Physical Stress\*

**ESTROGEN AND PROLACTIN SUPPRESSION**

The support to suppress estrogen and prolactin helps maximize your body's ability to utilize testosterone, resulting in greater definition and muscle hardness.\*

**24-HOURS OF SUPPORT**

Targeting and stimulating key cellular androgen receptors at different times during the day helps keep your body actively responding and adapting. Coupling METHYL ANDRO™ with Z-TEST® supports a 24-hour anabolic state for greater results.\*
